Dear Mr. Sullivan:

I realize that many times you, as a contractor, hear only the bad side of different situations in which you are a participant. I wanted to take this opportunity to let you know how pleased Niles Township High School District 219 has been with the performance of Sullivan Roofing in our organization over the past few years. The quality of workmanship exhibited and performed by your workers is extraordinary. We couldn't be more pleased with the performance of the roofs that your company has installed.

We look forward to working with you in the future and hope that you keep your pencil sharpened so that you can continue to prevail in the bid process for all the work that Niles Township High School District 219 will require.

Thank you again for the exceptional craftsmanship provided by Sullivan Roofing.

Truly yours,
